

Dear Parents,

We would like to introduce ourselves!

My name is Angelina Desylva and I'm an upper elementary Assistant Guide at Lowcountry Montessori. I'm working towards receiving my degree in education and Montessori certification. I was born in Staten Island, New York and raised in Bluffton, South Carolina. I played volleyball and did track throughout my high school years. This year I'll be coaching Volleyball. I look forward to this upcoming season and the growth of this program over the upcoming years.

My name is Jennifer Marlow. I was born in Boston, MA and was raised in Staten Island, NY. I've worked at LMS for 1 ½ years and my children all attended LMS. I grew up on a swim team for many years, however my daughter Angelina was in volleyball and track. I am thrilled to be able to assist her in coaching this year.

In season practices are after school Tuesdays and Thursdays 3:45pm-5:30pm. Our first practice will start Tuesday, August 30. All practices are mandatory. If for any reason a student is unable to make it to practice, the coaches must be informed with a note. I encourage each athlete to also practice on their own time outside of practice. In order for students to attend practice, they must have their physical form completed, waiver signed and payment made to Ms. April. Please Let me know if you have any questions, comments or concerns.

We are looking forward to this season!!
